and prior authorization assistance

# \$0 COPAY PROGRAM WITH **Natesto**® AT HOME

## \*ELIGIBILITY AND RESTRICTIONS TO \$0 COPAY PROGRAM:

On each valid NATESTO® prescription or refill, commercially-insured patients may pay as low as \$0 copay and pay no more than \$149 on all prescriptions (minimum of 2 dispensers with a maximum of 3 dispensers per Rx), for up to 12 refills. Some restrictions may apply due to state regulations. Patients are responsible for any remaining balance, and for reporting receipt of this coupon benefit to any insurer, health plan, or other third party who pay for or reimburses any part of the prescription filled using the coupon, as may be required. Patient, pharmacist, and prescriber agree not to seek reimbursement for all or any part of the benefit received by the patient through this offer. \$0 Copay Program offer valid only for male US residents age 18 or over who have private health insurance. Offer not valid for uninsured patients or for patients eligible for Medicaid, Medicare, TRICARE, Veterans Affairs or any other state or federal healthcare program (including state prescription drug programs). Offer good only in the USA and void where prohibited by law, taxed, or restricted. Aytu BioScience reserves the right to rescind, revoke, or amend this offer without notice. Card is limited to one per person, is not transferrable and cannot be reproduced.

**Cash Option:** Uninsured patients and patients who choose to forego insurance benefits may fill each valid NATESTO® prescription or refill at the cash price of no more than \$199 (3 dispensers) for up to 12 refills. Offer may require notice to applicable insurers. Cash Option payments do not count toward any insurance deductible, copay, or true out-of-pocket costs and are not reimbursable through any private or government insurance program. Aytu BioScience reserves the right to rescind, revoke, or amend this offer without notice.

This card is not health insurance.
